

HAND CLEAN LIQUID

Product Code : Q00176

Product Group: HAND CLEANERS

Packaging: 1L, 4L, 5L, 20L, 25L

PRODUCT DESCRIPTION

HAND CLEAN LIQUID is a very concentrated, gel-type, neutral, liquid detergent with pleasant odor specially formulated for hand cleaning with mild antiseptic properties used to remove the most severe industrial grime, oil and grease on your hands. It is powerful, economical and soluble in water of all proportions.

USAGE AND APPLICATION

- Since the product contains surfactants and anti-microbial and anti-bacterial agents, it cleans effectively and moisturizes hand skin.
- It is easily rinsing, leaving the skin clean and soft.
- Protection against microorganisms (germs) is achieved with the antiseptic agent lactic acid.

HAND CLEAN LIQUID is used by applying a small amount onto hands, rubbing lightly and rinsing with plenty of water.

HEALTH SAFETY

Please refer to the Material Safety Data Sheet and Product Label for specific information.
